CLASSES

The heart of the Dragon is the individual of each class. There is no doubt that we make up the school, because without us, there is no reason for the school. We make up the school with our individuality. There are no others like us anywhere. We share the love of friendships, sweethearts, and buddies. We never go through a day without seeing friends talking, sweethearts touching, and buddies horsing around. The heart of Chico I.S.D. is within each of us that is a part of the school.

The Junior Class had a reputation of being original, hard working and creative. They set good examples for the underclassman. It was obvious that they were a strong class since entering high school and will graduate as one. They stuck together when it came to competition and leisure time. They were fierce opponents as well as true friends. They tried a different approach with the Jr-Sr prom and had great success.

What is it like to be a Freshman? Everyone must find out one day. When you think you are lucky to be out of Junior High and here comes high school. You are not as lucky as you thought. It is no longer child's play. You take all of the remarks and you store them up for the day when you will be able to return them to another freshman. It is tough, but it is fun.

Where did they all come from? Was there a baby boom? This year there were so many kindergarten students that there had to be morning and afternoon classes. There was talk of a third teacher, but where would we put her class. Mrs. Blaylock and Mrs. Terrell had to suffer through a year of morning and afternoon classes. The students probably liked this, but what will they do with all of them next year? We will see.

Are we having fun yet?

The staff of Chico is the mind of the Dragon. Their knowledge of future adults, books, and life bring the dragon hearts together.

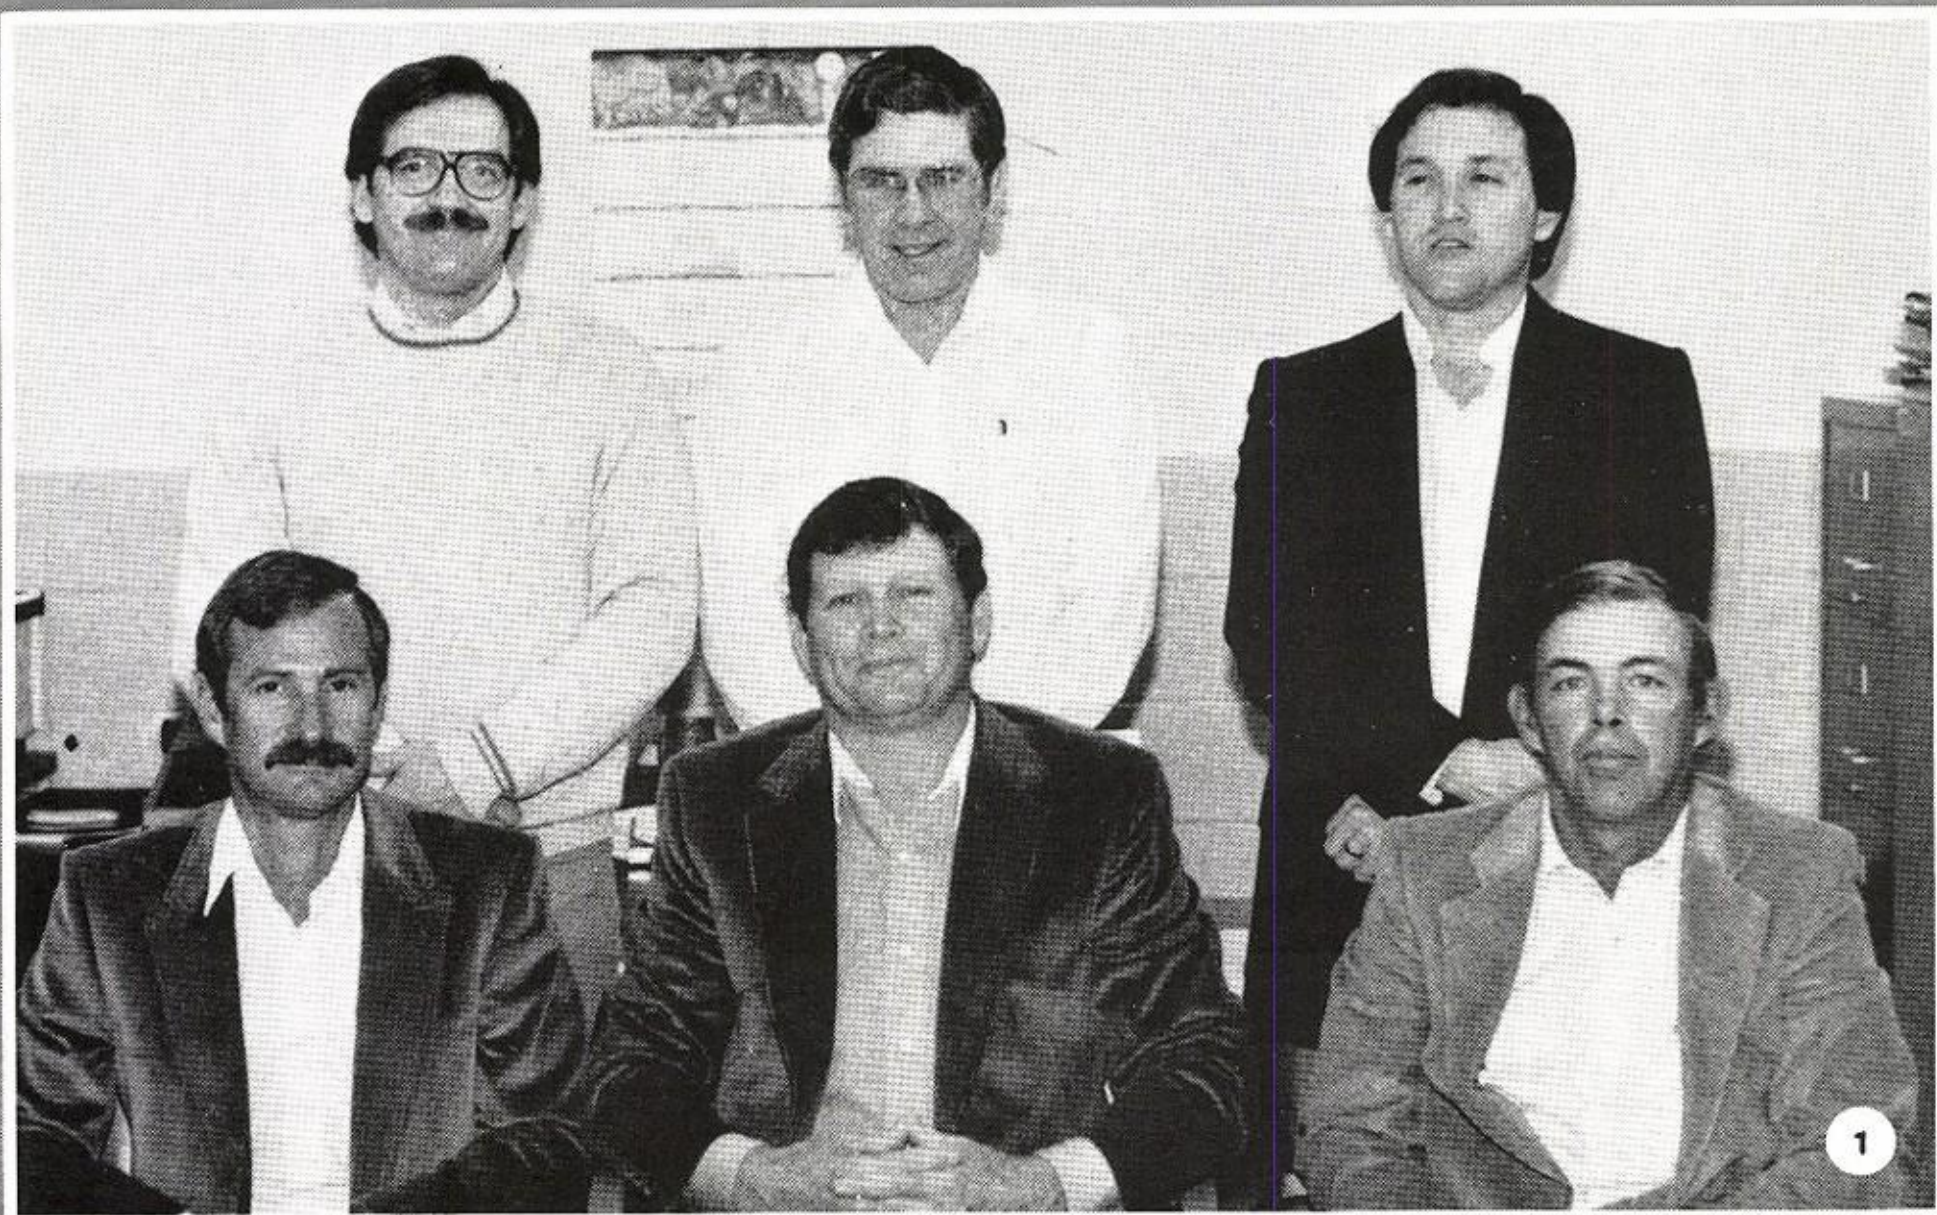

We appreciate all of the things that they do for each of us during daily school and extra-curricular activities. They try to help us to understand everything and why we must do what we have to do at school. Their job is tough, but they can handle anything. The mind of the Dragon is within each staff member of Chico ISD.

The Administration of the School includes (1) Mr. Kenneth Manning, superintendent. He has completed one year at Chico I.S.D. He is seen lurking through the hallway at times checking up on the hardworking classes of Chico, (2) Mr. Bill Crabbs is our High School Principal. He is the man who helps and guides the students of CHS. He is always there when you need help. (3) Mr. Doyle Reynolds is our Elementary Principal. He watches over the students of the elementary, teaching them how to act properly. The Administration of the school are the true minds of the school. They can turn our big problems into little problems. We appreciate the help of our school administration.

PROM - 1987 'NEVER

The Prom of 1987 took place on April 24, 1987, at Vance Godbey's Restaurant. The Juniors thought it would be nice to have it at a different place than the usual. There was a buffet style meal. The theme was "Never Say Goodbye" by Bon Jovi. The evening was quite pleasant until a waitress dropped a glob of tartar sauce on the floor and Stephanie Pryor stepped in it. The baseball team did not like having to play a baseball game on that same day. They arrived late to the Prom. Stacey Davis was the toastmistress. Ray Galindo gave the thank you for the seniors. Sabrina and David read the class prophecy. Christy and Jerald read the class will. Melanie gave the closing remarks to the seniors by reminding us of an old indian friend. (Ha Ha)

SAY GOODBYE''

IN THE NEWS

What was going around in the 1986-'87 school year?

AIDS!!! Who has aids? Aids was a newly spread venereal disease connected with homosexuals. It went around to stars such as Rock Hudson and Liberace.

The aids scare brought about the advertisement on TV of protection devices. Should they be advertised or will this encourage sex.

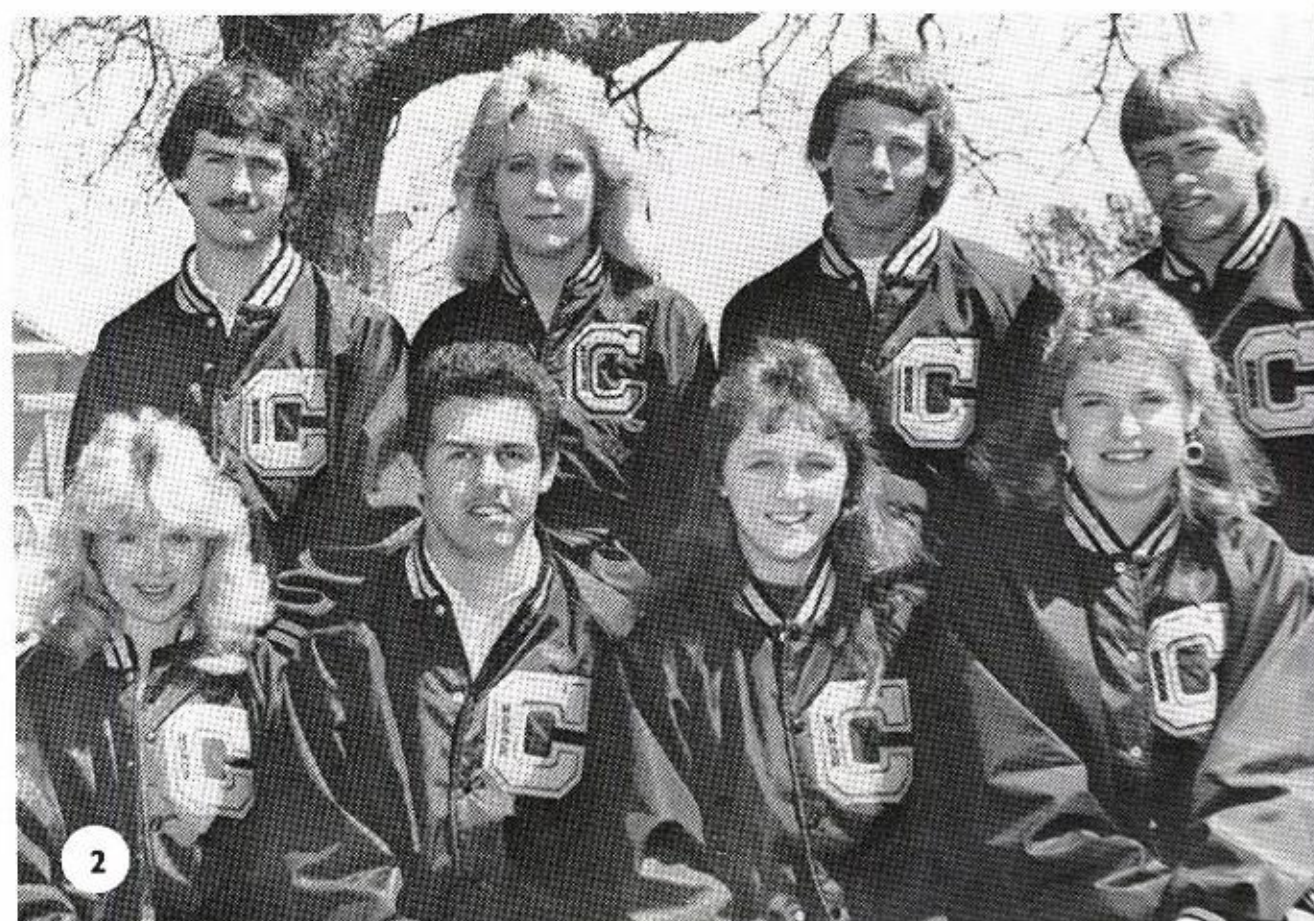

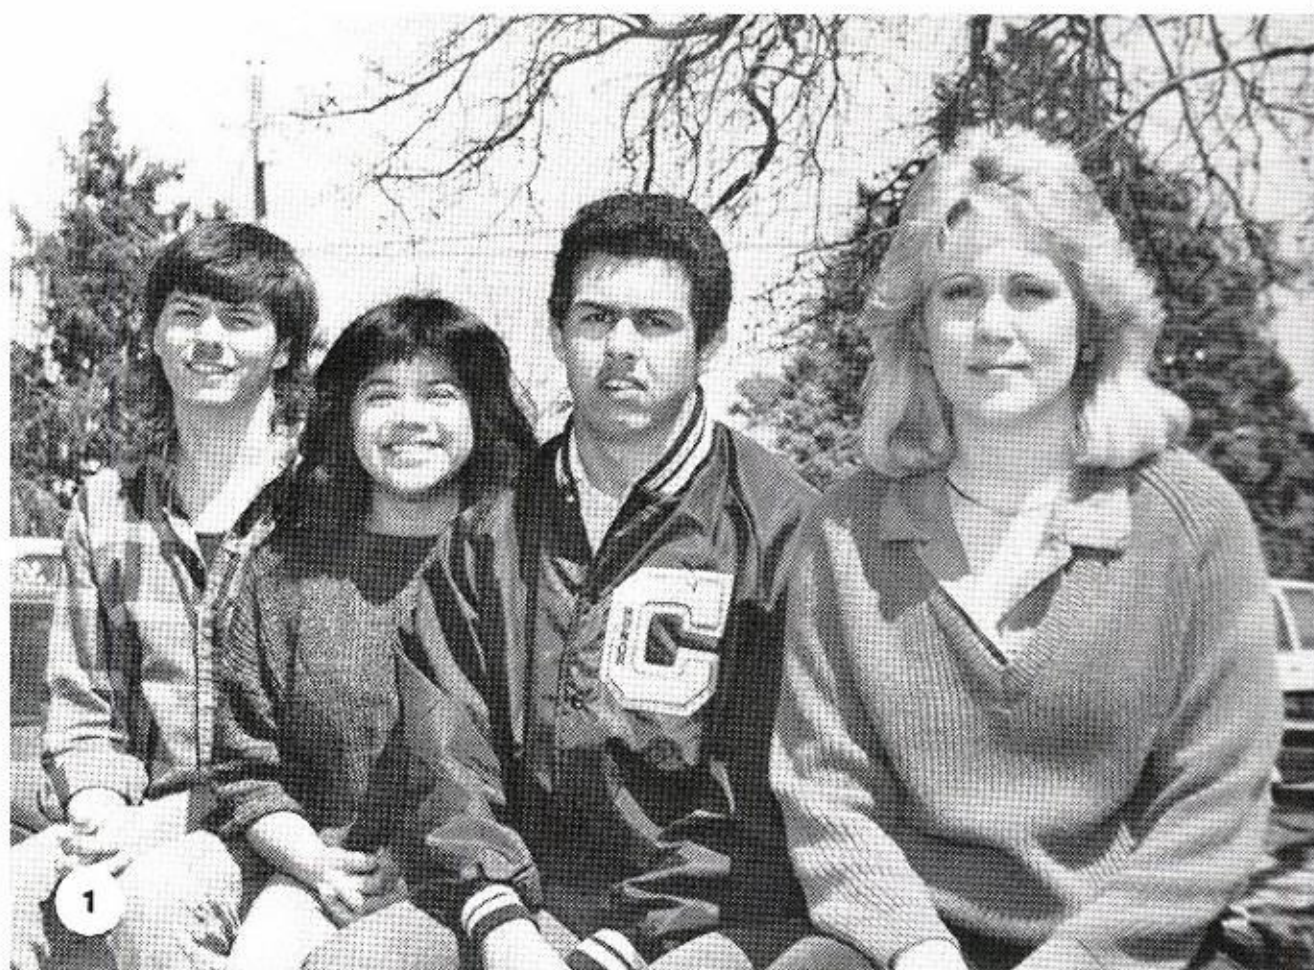

Iran Contra!! Did President Reagan know about the selling of arms to Iran? Government officials were indicted daily by Congress to find out to this and more startling questions.

Gary Hart took sex out of the pulpit and put it back into politics. Jim Baker, head of the PTL, was accused of adultery. Oral Roberts managed to raise \$\$\$ to save his life. Platoon hit it big at the movies, and Top Gun rated second.

In Texas Bill Clements was elected the new governor. He defeated Mark White. In May the speed limit of 55mph changed to 65mph on interstates. SMU'S football program bit the dust when the paying of players ruined it. State law required teachers to be evaluated four times a year for 45-minutes.

In Chico we got a new clinic, Chico Mart, Moma's Cafe, and all-sup's.

At school we got Mr. Manning, Coach Nies, Mr. and Mrs. McVey. We got out of school at 3:00 instead of 3:30 with only six classes. We moved up to 2A from 1A. We had a foreign language class of espanol in high school. The seniors were a mighty lazy class with mass numbers dropping out of the senior trip. Christy Halman sprained both ankles at the same time. The freshmen float was burned. Juniors would not allow any pictures of their float. Darrell Davidson and Billy Davis broke a few bones. We had detention for being obnoxious. We had a cross country track team which went to state. The seniors had all male class of-

ficers. The band made new sound which was actually music thanks to Mr. McVey. There was a new parking behind the new gym.

The spike haircut became popular. The school band bus hit a suburban at a football game. Mrs. Read turned forty, but she looks as young as ever. The high school cheerleaders' first pyramid came tumbling down. All of the seniors showed up for senior pictures. JoAnn Bible gave a new name to "suck face" thanks to Butch Mitchell. 1) UIL regional qualifiers included (l to r) David Green (Honorable Mention one act play), Nita Rios (alternate spelling), Ray Galindo (feature writing-news writing), and Shelia Proctor (Ready Writing). 2) Senior honor students received honor jackets. (l to r) Johnny McKeever, Shelia Proctor, Travis Hood, Les McCain, (bottom row) Connie Hand, Ray Galindo, Tammie Jones, and Christy Halman.

NEW SOUNDS FROM BAND

We heard new music from our band this year, and it was actually music. Mr. McVey, the band director, brought a new spirit to the band. They apparently worked real hard and they did an excellent job. As Mr. McVey said, "If you want to go to the football game, but you haven't got a way. You should join the band."

(1) Pep band includes row 1 (l to r) Shelly Cearley, Tera Swaim, Deidra Hamner, Teresa Clowers, Shella Walker, Tammy Teague, Holli Crabbs, Stephanie Duck, Michelle Blaylock. Row 2; Janet Ward, Rhonda Boyd, Jennifer Hanney, Tina Roach, Beverly Baker, Louise Shepard, Lea Hughes, Lorie Morrow, Darlena Dawson. Row 3; Delene Green, Jewel Hargrave, Ruth Holmes, Robbin Starnes, Joe Davis, Micheal Eudy, Steve McLeod, Shellie Leverette, Todd Greer, Row 4 Susan Harris, Shawna Bridges, Julie Phillips, Vickie Parrish, Traci McDaniel, Bart Weatherly, Bubba Greer, Rex Johnson, Billy Riley, Row 5: Lavona Burgess, Cindy Buckner, Melissa Wright, Jeff Hughes, Mr. McVey. (2) The sixth grade band includes: (l to r) Row 1, Karen Corbell, Pam Underwood, Stella Hamner, Christi Phillman, Wendy Windom, Tesa Hartsell, Mike Haynes, Tia McVey, Row 2: Tim Chafee, Tina Harris, Bradley Verner, Richard Stocktan, Bobby Walker, James Wells, Ryan Mason, Holli Burgess, Valentine Rios, Row 3 Mike Kane Jamie Cornielson, Chris Lowrance, Amy Vasquez.

THE BETA CLUB

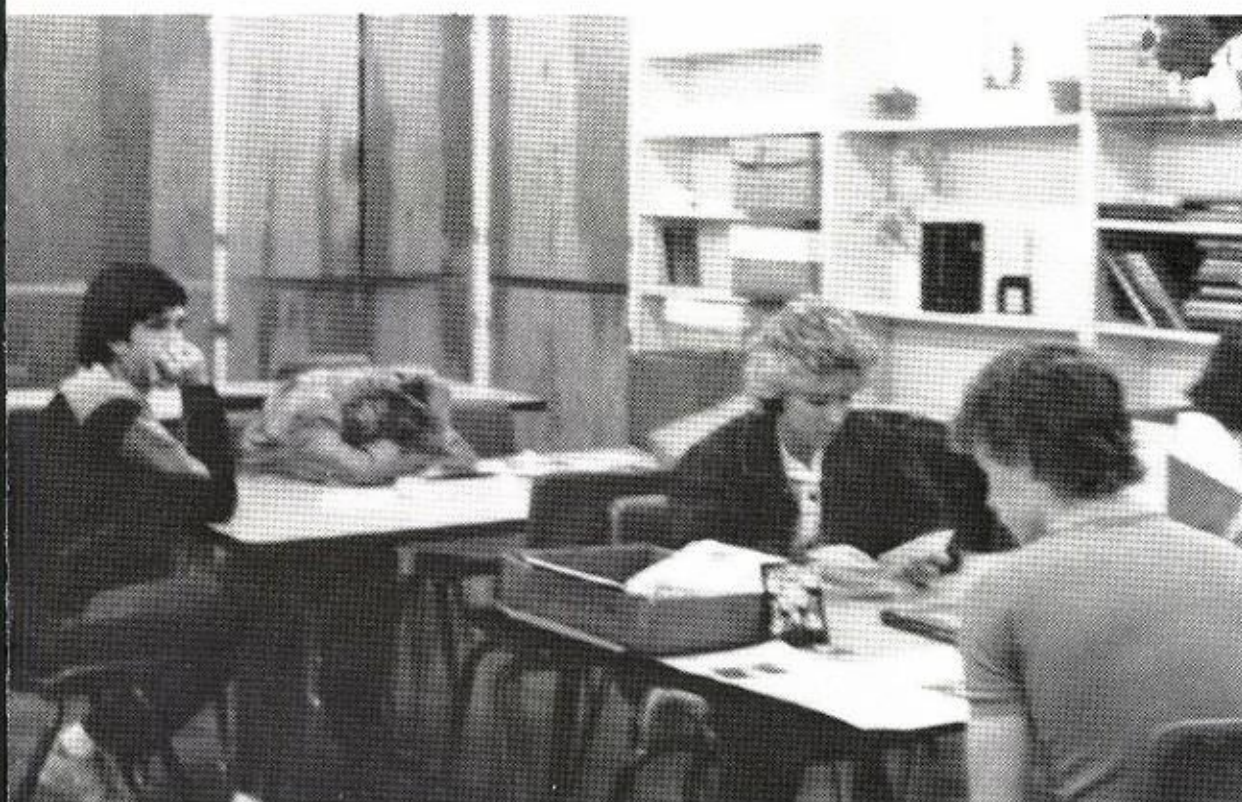

Beta Club is based on grade point average. You must maintain an overall average of 90 to be a member. Out of one hundred and five in range from sophomores to seniors there are only fourteen Beta Club members.

1) The sponsor is Mr. Adams. The members include Keith Hargrave, 11th; Dale Christopher, 10th; Amy Hallenbeck, 10th; Stephanie Coble, 10th; Connie Jones, 10th; Johnny McKeever, 12th; (bottom row) Stacey Davis, 11th; Connie Hand, 12th; Travis Hood, 12th; Tammie Jones, 12th; Ray Galindo, 12th; Christy Halman, 12th; and Teresa Moss, 10th. 2) The Beta Club officers are (standing) Ray Galindo, VP; Travis Hood, trea.; (sitting) Tammie Jones, President; and Christy Halman, Secretary.

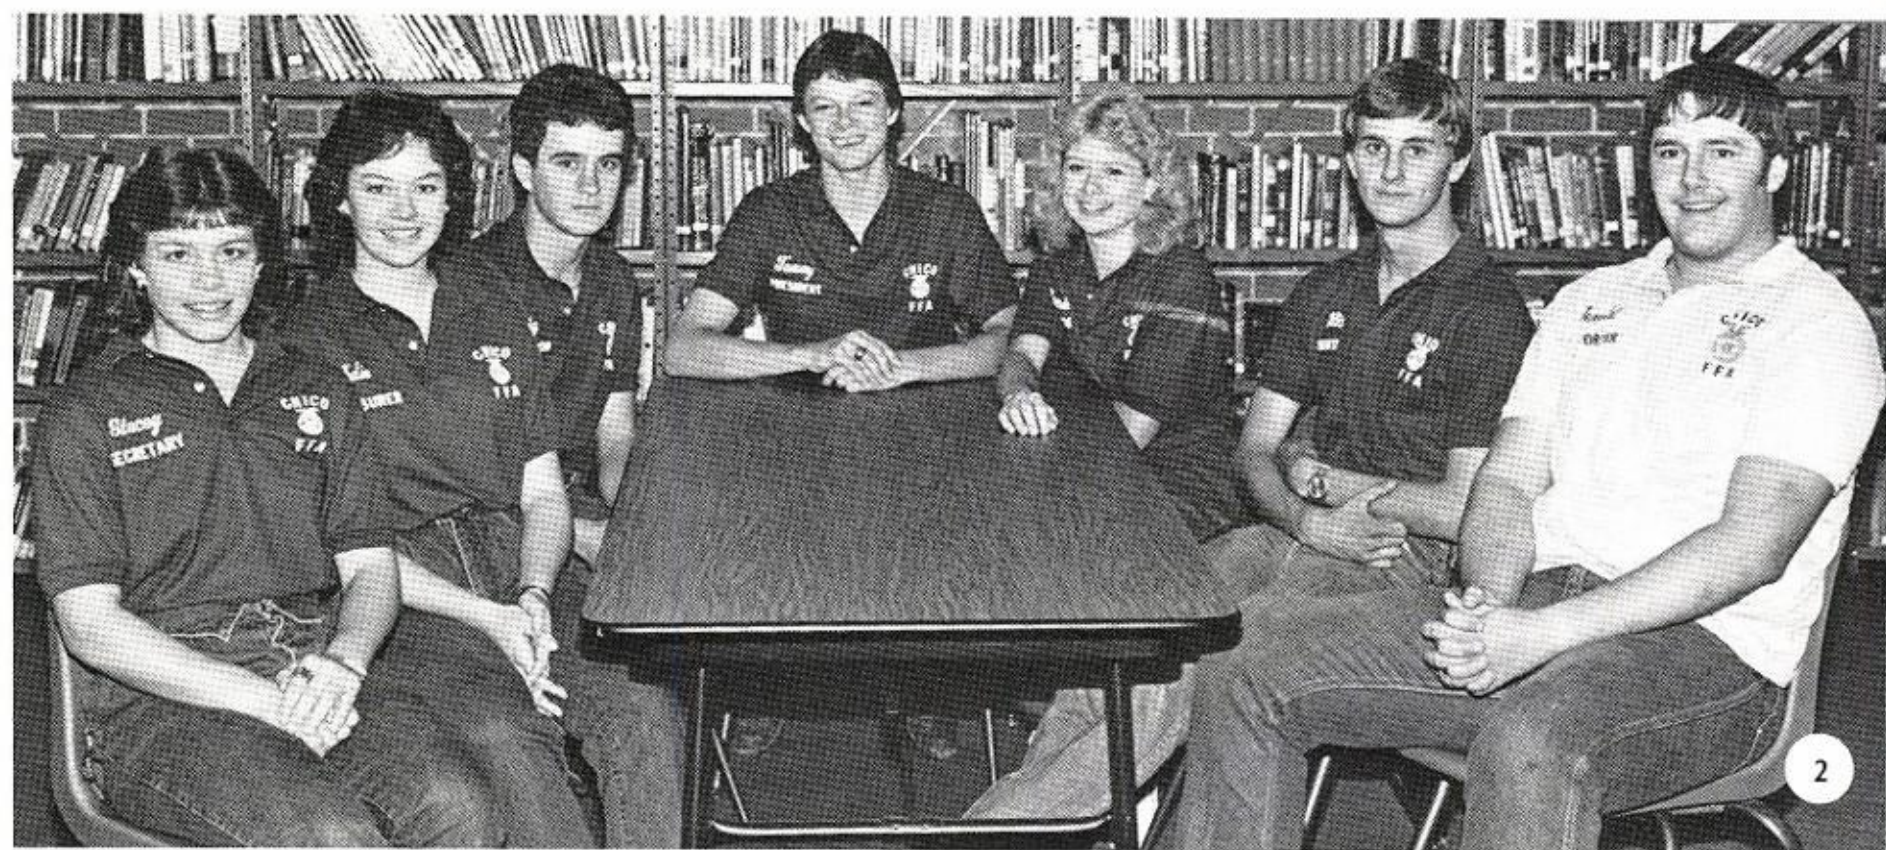

THE CLASSIC ANNUAL STAFF

Just for everyone who thinks that Annual Staff is all fun and games, You are wrong. We must take all of the pictures, tell the story, and put it into print. We go around during our summer vacation selling Ads to help pay for the book. We must meet deadlines for pages or else. We try our best to include what everyone wants to see. We even try to get at least one picture of each person within the book. Our theme this year was the "Anatomy of a Dragon".

(1)The members of the Annual Staff include (left to right) Deanna Carroll, Randy Legate, Tammie Jones (Co-editor), Ricky McKeever, Julie Daniel, Keith Hargrave (Co-editor), Kathleen Green, and Connie Hand. Not pictured are Johnny McKeever, and LaDawn Howell. The sponsor of the yearbook is Dana Crabbs.

For thirteen years we waited for this night. We went through thick and thin. Teachers said we were a good class. Parents loved every September when it was time for school to start. They dreaded each June when we were out again.

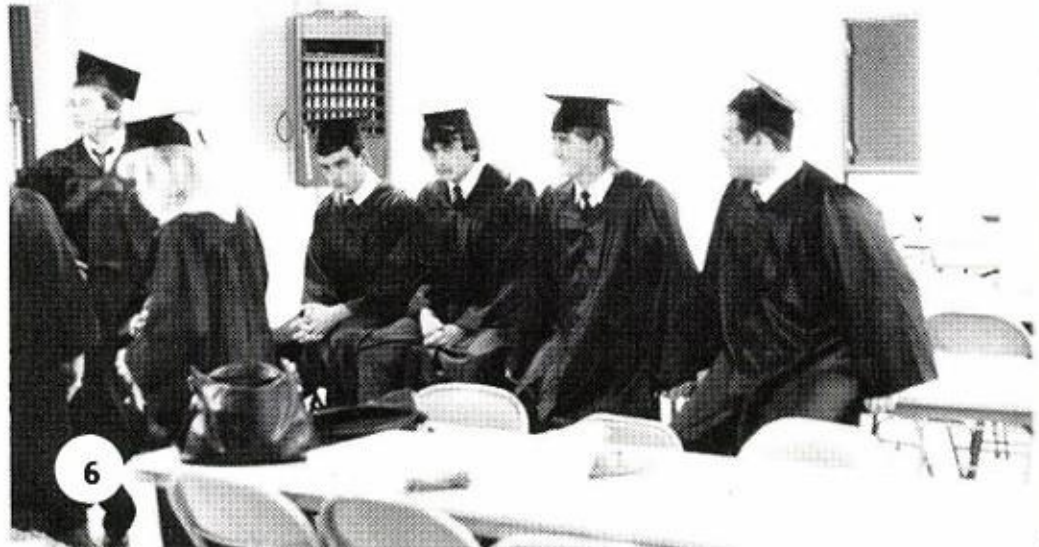

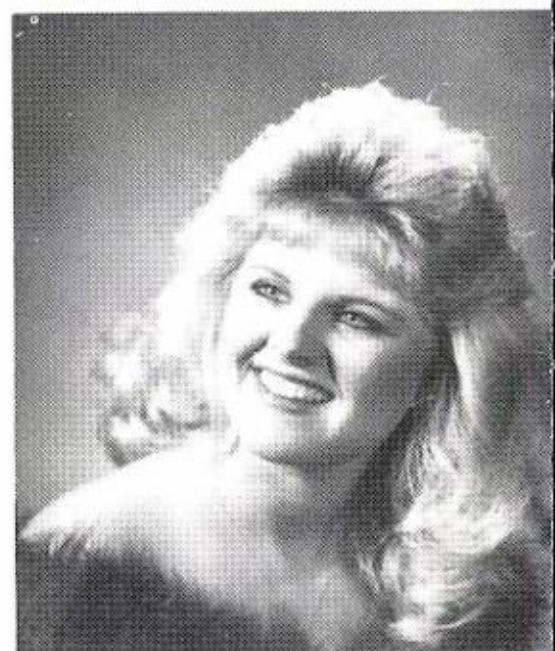

On the night of our graduation we shared memories and thoughts. We never thought it would be like this. We cried tears of joy and sadness. We finally made it. But what now? We must make our own lives. What becomes of the class of '87 only time will tell.

Our parents watched us grow from children to young adults. We did our best to make them proud of us. Our parents' dreams came true on this night. We graduated from High School.

A FOND FAREWELL

BILL and DANA CRABBS

For the past eight years these two educators have been much more than a principal and teacher. They have listened to our problems, cried with us when we were sad and laughed with us when we were happy. They have shared in our victories and wept at our defeats.

They have treated each of us as an individual, unique in our own way and truly cared about our welfare. They have treated us with fairness and encouraged us to always strive to do our best. They have helped us set goals and to accomplish that goal.

Because of them the relationships and attitudes of the students have improved and Chico High School has been a better place because of them.

We will miss our "Friends" but, we will never forget you.

The 1987 Senior Class
